<p>Date: 08/20/2014</p> <p>Rating: ★★★★★</p> <p>Comments: Both Mary and Dick were exceptional to work with. From day one they were extremely organized and on point with everything. The house sold day 1. That is the market we are in but also they made sure our house listing got to the right people at the right time. I thought to myself "why didn't I just post the house FSBO myself... I could have done this and made more money on the sale..." Little did I know how much they would prove their worth. The work they did in the following weeks was above and beyond what I would have asked them to do. I couldn't imagine going through the process without their guidance, experience, and assistance. During a very stressful time in my life, they helped make this transaction as easy as possible. I would absolutely recommend them to anyone and will definitely call upon them again if I'm in the market to buy or sell a home in the future.</p> <p>Client: Joe Dusenbery</p>
<p>Date: 07/31/2014</p> <p>Rating: ★★★★★</p> <p>Comments: They're very helpful. Go above and beyond the duties of a real estate agent and they're a pleasure to work with.</p> <p>Client: Brad McAdam</p>
<p>Date: 06/25/2014</p> <p>Rating: ★★★★★</p> <p>Comments: We worked primarily with Mary Greenberg and she was outstanding to work with and a great help. I had an older townhome that had some minor issues which needed to be addressed, but Mary guided us through all of them deftly and even helped me buy a new refrigerator. She worked very hard on by behalf to accommodate and modify some of the buyers concerns after inspection and at closing everyone seemed extremely happy with the condition of the property. She had all the contacts we needed to address the repairs which needed to be done and that was a great help. I know Dick was working behind the scenes on much of the paperwork which I received in a very timely fashion and was aptly guided through that process through his and Mary's excellent communication via phone and e-mail. I would not hesitate whatsoever in recommending Dick and Mary to anyone with a real estate issue. They made what I expected might be a daunting process very understandable and considerably less stressful than I thought it was going to be. In the end we got more for the property than I thought we might which made us happy and appreciative of the efforts of Mary and Dick. I had not worked with a real estate person in some but it was a pleasure to work with Mary and Dick Greenberg. Their performance was above and beyond what I expected and they were professionals in every aspect of the process and it showed in the final result. Again, I would recommend them without hesitation to anyone who may need real estate expertise in the future. They are able and highly competent representatives of the real estate profession and were absolutely a pleasure to work with.</p> <p>Client: Steve and Mickey Puttrann</p>
<p>Date: 05/19/2014</p> <p>Rating: ★★★★★</p> <p>Comments: Mary and Dick work well together as a team. Mary on the "people" end of things and Dick on the "technical" side. Of course, they are each able to do both things, but put them together and BAM! Real Estate help and progress. Both of them seem to know what they are doing and they are very helpful and honest about their dealings with clients. We would use them again if we had to buy or sell a property. Thank you Mary and Dick for helping my wife and I find our first home!</p> <p>Client: Alex and Mary Bricker</p>

<p>Date: 04/14/2014</p> <p>Rating: ★★★★★</p> <p>Comments: Mary was wonderful when my closing went less than ideally. Even though she didn't have to, she put her name on the line to get me my house. She was also so available during my entire home hunting experience and was more than willing to work around my crazy schedule.</p>
<p>Date: 04/14/2014</p> <p>Rating: ★★★★★</p> <p>Comments: Mary and Dick are very professional and take a personal interest in their client's situation. They helped us get our house sold in a time when houses were not moving very quickly. They had a lot of good tips on how to enhance the marketability of our home. They took care of all the small and large details to make the process easier for us.</p> <p>Client: Daryl & Sandy Tatum</p>
<p>Date: 04/14/2014</p> <p>Rating: ★★★★★</p> <p>Comments: Both Mary and Dick are exceptional with their knowledge of the housing market in my area. Within a mater of three days they came-up with the information which was the basis for their evaluation of the home I wanted to sell,a comparative analysis of homes in my area, and a suggested selling price. After reviewing this information with them and agreed to have them list my home. Two days later they had used their system of listing my home with over 800 realtors. One week later, there were three perspective buyers and the first of the three and we closed with-in 45 days. They are fantastic! There were no complaints or arguments from either side "along-the-way", since they represented both me and the purchasers. In addition, their "professionalism" in dealing with people, their communications, and truthfulness I found outstanding and superb!</p> <p>Client: George W. Mc Donough</p>
<p>Date: 04/14/2014</p> <p>Rating: ★★★★★</p> <p>Comments: Mary & Dick provide a excellent component of skills to ensure their clients get the best service possible. We highly recommend them as very professional, ethical, and knowledgeable realtors. We would certainly use them again if we had any real estate needs.</p> <p>Client: Robert and Judy Campbell</p>
<p>Date: 04/14/2014</p> <p>Rating: ★★★★★</p> <p>Comments: Very refreshing to have a street-smart, knowledgeable and educated agent with the follow through needed in this market.</p> <p>Client: Jean</p>
